Dear Sir

Anglo Catalan Society.

I was very interested to receive your circular relative to the above, of the existence of which I was completely ignorant. Would you kindly let me have further relative information.

In the meantime I am enclosing the slip indicating my intention to attend opening conference at Oxford on Apr. 16/17. Which I should be greatly interested to attend

Perhaps you could let me have
some idea of the arrangements
re accommodation etc & the
approx. cost.

Yours faithfully

J. G. H. Phillips.
