Dear Mr. Yates,

Thank you for your letter of the 29th May. I will take your points in order.

- 1). I have since consulted my wife and we shall be prepared to provide the evening meal on the 22nd and the 23rd and the special lunch on the 23rd.
- 2). On reflection, perhaps it is wiser not to pursue the V. A. T. question any further.
- 3). We acknowledge your numbers as at present and hope you will keep us informed.

Yours sincerely,

A. BUTTERWORTH, M. A.
(WARDEN).
