Dear Mrs. Humble,

Thank you very much for your letter of 18th March; I must apologize for not having answered it before, but we have been in the middle of a Conference of the Association of Hispanists of Great Britain and Ireland - which ended (to my relief) yesterday.

I am about to send out some time this week details of the II Conference of the Anglo-Catalan Society, to be held in early May in Cambridge, and I shall mention at the same time, and in some detail, the International Piano Competition. I shall say that you are the English representative for this function, and ask people interested in it to get into touch with you; I think that this would be the most suitable way of dealing with this point. If, however, you would rather that people approached me first, and that I should then get into touch with you, would you please let me know very soon? If you think the arrangements I mentioned first are quite suitable there is no need to reply - I shall take it for granted and go ahead.

I would certainly be glad to receive regularly news of this Competition.

Yours sincerely,

P. Russell-Gebbett,
Hon. Sec. Anglo-Catalan Society.
