Dear sir,

I am writing to ask for some information about my possibilities of getting a job or grant which enabled me to spend at least a year in the United Kingdom.

My name is Eulalia Serra i Delcar. Last year I got a degree in Librarianship, after finishing my studies at Escola Universitària de Biblioteconomia i Documentació "Jordi Rubió i Balaguer".

I've been working as an pair in London since
last October. I am studying English at Southwark College.
I'll be taking the First Certificate exam in June.

I'd like to know if it's possible for me to get
a job as a librarian in the U.K. I would be very grateful
if you sent me some information about grants or jobs which
could be suitable for me. In case you haven't got this
information, could you please give me addresses from institutions
I might find useful to contact with?

Thank you very much for your help.

Yours, faithfully

~~Eulalie Serre~~
