30th December 1971

Amat e amic,

gràcies per la teva gentil missiva del dia
vint - celebros que t'hagin estat d'alguna utilitat els meus
comentaris.

Arcadi Sala on my list figures thuswise:

"Sr. Arcadi Sala (^{Bori}) 56 Parkholme Rd., Dalston Junction, E.8."

I have written both the address and the bracketed (and boring)
Bori in ink - and I seem to recall that this means that
Sala's address was supplied by Bori. Only God knows how
reliable it is!

Hope you had a super Christmas and will
have an even better Any Now.

Ten bun de vor,

Paul.

Why does Rumanian do:
L-am văzut = I've seen him
but
Am văzut-o = I've seen her.
?
