Dear Ron,

Thanks for the first circular concerning this year's Anglo-Catalan Conference. I'm glad that things are moving so early, thanks to you. It should mean that we have a full turn-out.

I can offer a paper on a modern literary topic, probably on the novels of J.M. Folch i Torres. I'll let you have title and abstract in good time.

I also enclose a summary of Sheffield's Catalan teaching. I'm sure you will have heard about the similar survey that's being done by Xavier Barral i Altet. Its scope is rather different from ours, and I think that a summary of Catalan in British Universities will be most useful.

Looking forward to seeing you soon.

All best wishes,

Sincerely,
