Dear Alan,

Many thanks for all the bump
on the next meeting of the Anglo-
Catalans. I write to apologise
to the committee and to say that
I regret that the work will be
quite impossible for me. I had
hoped that events would come
out more satisfactorily but, alas, not
so. I feel rather disappointed.

Brian is in service so he will not
be coming either.

Hope all is well, best wishes
to all the gang, Yours ever, Richard.
