Dear David George,

As a student in the history of Art + Architecture at Leicester Polytechnic, I am studying the work of Antoni Gaudi and his contemporaries for an extended essay. I have been advised by Alan Yates, to write to you for details of the Anglo-Catalan society.

I am going to visit Barcelona soon, and was wondering if I could ask your advice on a few things. Firstly, is there any way of gaining access to buildings (by Gaudi etc.), not normally open to the public? Also, do you know if the University in Barcelona ever puts foreign students up in the summer? Lastly, I have been

unable to find the address of the Amigos  
de Gaudi, do you know it?

Thank-you for your help. I look forward to  
hearing from you. Yours sincerely,

Rosie Machin.
