Dear Dr. Yates,

Thank you very much indeed for your kind letter of 23rd February welcoming me to the Anglo-Catalan Society. It is a great honour and pleasure to me to become an Honorary Member of the Society.

I would also like to thank you most warmly for the five publications which I received today; I will read them with the utmost interest and, no doubt, enjoyment.

With my best wishes,

Yours sincerely,

José J. Puig de la Bellacasa
