Dear Sir/Madam,

I am writing to you as I have been unable to contact you to day by telephone at either of the numbers in your leaflet.

Would it be possible for you to let me have, by return of post, 70 copies of the leaflet 'London Short Breaks, Golden Rail, 1st October 1982 - 10th May 1983', published by BRB (Central Advertising Services) printed in Great Britain by Cripplegate GR9/900,000/782, (photocopy enclosed). We are holding a conference in London and would find this leaflet most useful to enclose with our circulars.

With many thanks for your help,

Yours faithfully,

Max W. Wheeler (Dr.)
