Dear Ron,

At the Anglo Catalan conference, Alcoverro asked me for copies of a hand-out about the Society that he could send to people making inquiries about Andorra & Catalan.

The only one I can find is the enclosed. Did Alan Jayson send you any more copies of this, along with the rest of the Secretarial files? If he did, will you please send a couple of dozen copies to Alcoverro? If he didn't, can you get copies made from this, and send some to Alcoverro? If he didn't, and you can't get copies made,

please let me know and I shall have some copies
made, and shall send Alcoverro some.

All best wishes,

Derek
