

TRINITY HALL,
CAMBRIDGE.

Dear Ron,

I am writing to say that once more I am afraid I cannot make the Anglo-Catalan Conference at Westfield. Could you apologize for me to all members present?

I have had a letter about your VTR course on Spanish Grammar and have answered saying I was definitely interested. We have an Ampex 5003 machine and would prefer to borrow rather than hire the tapes, at any rate for the pilot programme. John Trim would like to know why, since Video-Tape is an expensive medium, you (or Leeds) have thought it better to use VTR rather than Audio-Tape plus hand-outs (or writing a book). What answer should I give him?

With all best wishes,

Joe.
