Dear Mr Wheeler,

Many thanks for your letter of  
Sept 13th enclosing information  
about the Anglo - Catalan  
Society -

Unfortunately I don't think  
I have time to join a  
Society at the moment - my

main interest in the

Catalan field is

Tajonra, & I'm busy

writing a flora of

the Balearics to be

published next year, in

spare time from being

a fl. I'm no

great linguist, & would

love to learn Catalan  
one day, but too  
many things on hand  
at present.

Yours Sincerely

Regina Becker
