Dear Alan

Corresponding to your invitation to contribute a paper to the coming Conference of the A-C.S. I was thinking of offering one on "Llengües pre-romanes, romanització i llengües romàniques a la Península". I am not sure however whether this subject is sufficiently modern to be included in a Conference devoted to medieval and pre-Renaixensa subjects. Do let me know frankly whether you would prefer some other subject about a period nearer to the Renaixensa.

I am off now to Perpinya, where my address will be Hôtel Royal Roussillon, Av. Général de Gaulle. I hope to be there until September.

Wishing you a good rest and a happy holiday,

Yours sincerely
