

The Anglo-Catalan Society

The Second Conference of the Anglo-Catalan Society will be held in Cambridge during the week-end Friday 4th May - Sunday 6th May. On the afternoon of the Sunday members will be able to attend the celebration of the Jocs Florals de la Llengua Catalana in Christ's College. Details of the Jocs are enclosed.

It is hoped that members intending to be present at the Second Conference will arrive in Cambridge on the evening of Friday 4th May, so that a full day's programme may be arranged for the Saturday. The Conference will close after lunch on Sunday May 6th.

The following papers have been promised for this Conference, and will be read:

"18th century Spain as seen by Foreign Travellers, with special reference to Catalonia." (G. W. Ribbans)

"The Karlsruhe miniatures and the structure of the Lullian universe." (R. Pring-Mill) - illustrated.

Other papers have been offered, and résumés of these and of the above will be sent (together with a full Agenda and details of accommodation) to members having signified their intention of being present at the Second Conference.

Accommodation. It is difficult in term-time to find block accommodation in Cambridge, but arrangements have been, and are being made for the accommodating of delegates in a number of reasonably-priced hotels in the town. In order that the local committee's task may be eased, will members please complete the slip below and return it to me to arrive in Nottingham on 18th April at the latest.
