Dear Prof. Tate,

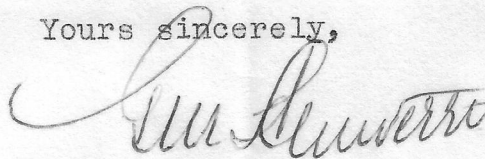

Re: ROMANOV AND JULIET - Mr. P. Ustinov's.

Mr. Vilanova has been in touch with Miss Truman and the matter seems now more clear and reasonable than before. No doubt Mr. Vilanova will write about this.

- 1.- The rights of stage representation for Spain (without specifying any language) were contracted with Mr. Charles David Ley, Garcia Moreno 82, Salamanca. I have, therefore, asked Mr. Tasis to get in touch with that gentleman and see what he can work out about the Catalan stage.
- 2.- The translations rights into Catalan have not been contracted with anyone. Therefore it appears to be a business transaction to be requested for now. I am asking Mr. Tasis to put this request forward in writing, and as soon as I hear anymore about it, I shall be glad to let you know about development.

We all do thank you for your valuable help in this matter.

Yours sincerely,

G. M. Alcoverro.
