Dear Mr George

Mrs Patricia Langdon Davies of Casa Rovira, St Feliu suggested that the DIA should join the Anglo-Catalan Society, in connection with our study trip to Barcelona, 23 October - 30 October 1989. I therefore enclose £5.00.

I also attach our provisional programme for the Barcelona trip and a booking form. If you could give it some publicity among your members we would greatly appreciate it.

Finally I enclose some details about the DIA and what we are doing which might be of interest to you.

Yours sincerely

Nell Chamberlain
