29 March 1955.

Dear Trueta,

Thank you so much for your letter of March 28.
Alas, we shall both be in France at the time of this
conference, which I would particularly have liked to
have attended. I do hope you will let me know when
the second meeting takes place.

With kind regards,

Yours sincerely,

D. G. Deakin

Professor J. Trueta,
Nuffield Orthopaedic Centre,
Oxford.
