Dear Mr. Russell-Gebbett,

Thank you very much for your circular about the Anglo-Catalan Conference. I should have been delighted to attend, but unfortunately I am going off on Friday to Spain and shall not be back until the 18th April. Please give my kindest regards to all those present.

I cannot remember whether or not I paid my subscription for the current year. In case I did not I am enclosing a cheque.

Yours sincerely,

*P. Aston*
