

13:xi:77,

Dear Alan,

Thanks for the enclosed. I'm not terribly happy about the text (on 'youth' thoughts) and so I've drafted a possible alternative. I wonder what you at the other feel. Frankly I'm not awfully worried either way, so I have signed your original in case that's what's required. Anyway I leave it all in your hands to do whatever suits best.

The pace here is still v. hot - as I suppose it is with you!

Love to all

Yours ever
S. J.
