Dear Paul,

Thanks for your quick letter. I am glad that everybody has coincided in clearing up the matter of this bill, that had begun to put me a bit nervous. There are a lot of things to be tackled when you are leaving a country, you see, and especially if you are going to take with you your fiancée, trying to get married soon.

I enclose you a cheque for 16/6 (I do not want you to pay the bank commission). In fact I find it extremely cheap, because it comes out at 8/- for bed and breakfast. I thought your big famous colleges were more expensive.

I have just had a letter from Subern telling me that Tate has been appointed your

boss there. That is a very nice thing. All the Catalonian gang is going to be practically together. I do not know his address, so that, please, congratulate him on my behalf as soon as you can see him. I hope that this will be good for your own promotion.

I shall be in Barcelona from the beginning of July onwards for a number of years, I suppose. I will be very pleased to get in touch with you, if you come there. My address is:

c. Sagüés 14 - 2<sup>o</sup> 4<sup>o</sup>

(telephone: 374027)

Have a very good time this summer, anyway: ~~it~~ "à revance!"

Yours ever,

Jordi P.B.

P.O.

I shall leave Gersow about the 18th.

June 1956.
