Dear Mr. Yates,

Thank you very much for your encouraging letter.

I am glad and proud to learn that my application for the Anglo-Catalan Society scholarship was successful. By now, my plans seem to be quite definitive. I will be in London from October 15th and for a period of 9 months.

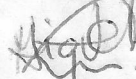

I am afraid, therefore, that I will not be able to send you a report for your September meeting. However, I will send a brief report of my "tesina" on British writers and the Spanish Civil War that is to be submitted next June. After all, much of the information I have used was collected during other stays in Britain.

As I suspect the money you offer will be welcomed the sooner the better, I will get in touch with you next October to make the necessary arrangements.

Needless to say, I shall be happy to offer my full cooperation to the Society during my stay in London.

With many thanks and looking forward to meet you soon,

yours sincerely,

Miquel Berga i Bagué
