Dear Ron,

I expect you have received a copy of the letter Alan sent me about the next Anglo-Catalan conference. Unless you can think of some objection, I think that the 1st-2nd November would be the best dates. On the other hand, the Andalucía has closed ; we shall have to find another restaurant for the lunch.

Can you please write to Alan, fix the date with him, and discuss possible restaurants ? And will you write to the possible speakers ?

All best wishes,

Derek W. Lomas
