Dear Alan

Very many thanks for your impressive
speedy, informative & helpful reply to
my query. I haven't yet had time to
digest it all, but have xeroxed the various
documents you sent & return them herewith.
I shall also be writing to some of the
organisations you mention.

All good wishes,

Yours,

Glanville

P.S. Can I take it I can keep the 'En Categori, si nos
Ala?' sticker you sent? It's both more striking &
more courteous than the black-and-white 'Cymroeg'
sticker that - very rightly! - appears on

English-only signs in rooms here. By the way, in

the BM canteen a few weeks ago I saw
an attractive woman with 'Volem l'Estatut'

emblazoned on her tits - well, on her T-shirt
actually,

Y.
