

'Northcroft',  
Milton Close,  
Bracknell,  
Berkshire.

25<sup>th</sup> September, 1978.

Dear Dr Yates,

Your name was given to me by a mutual friend, namely Joan Grove i Alvarez of Barcelona.

As I am interested in studying Catalan, he told me that you might be able to advise me where the language is taught in the London area. I should be most grateful for any advice that you could give me.

Many thanks.

Yours faithfully,  
Paul Everett.
