Dear Joe,

At last! Today I am having sent to you at St. Catharine's the correspondence of the Society and the Main File, plus membership and circulating lists and other odds and ends.

On December 1st. the N.U. Lacrosse team is playing in Cambridge, and I shall see that the note papers etc. goes down with them and is deposited at Cat's. I may come down with them myself, but am not sure if I can make it yet. If the Suez business makes it impossible to get a coach, then I'll have to send you the stuff in several packets by post.

The minutes of the last meeting (A.G.M.) are in the main file. I'm sorry I haven't had time to get them typed and duplicated, but Alcoverro said he would see to this for you. The only thing is that you may want to get them typed before you send them to him - perhaps my handwriting may seem deficient to you.

Good luck with the A.C.S., and have a good vacation this Christmas.

Yours sincerely,

Paul G.

Dear Joe,

Thank you very much for your letter,
to which I hasten to reply (between lectures).

The main body of the A.C.S. files
did not get sent to you, I'm afraid, and
have not yet been despatched. I have been
terribly busy here, and remarkably remiss in
more than one direction. My brain feels like
cotton-wool! May your mind rest, however,
in the knowledge that I really will get the
things moving during this week.

I shall get the minutes done properly
too.

Very sorry about the delay.

yours ever,

Paul G.

Dear Joe,

I've been terribly busy, and have only just got round to putting the A.C.S. stuff into some sort of order. Tomorrow I'll send you off the correspondence, the "main file" (sort of historical), lists of addresses etc. I shall have the minutes of the last meeting duplicated here, and maybe sent out too if the typist isn't too busy. Otherwise maybe Alcoverro could get the addresses typed for you. When I've had the minutes done I'll send on the remainder of the paper.

I cannot at the moment find your address, so this will go to St. Catharines.

All the best — I have bronchitis.

Yours ever,

Paul G.
