Dear Paul,

I'm sorry I haven't written before to give you a report of the luncheon and meeting, but I've been very busy in London + Sheffield for the last few days.

Everything went off very well despite your absence. Batista wasn't there either; he sent a telegram of best wishes from Paris. There were 13 people there in all, but ~~there was~~ nothing went wrong despite the unlucky number. Tometa was, I suppose, the biggest draw of the day.

The meeting was uneventful but quite constructive. I'll get the minutes out this week or next. We are all re-elected + we have two extra committee members (Mrs. Grant +

Robert Comel). Your old girl-friend Rosa  
Levaroni is apparently coming over to  
help with the Soc Florals. I enclose an  
agenda we got done for the occasion —  
nothing like épating the bourgeoisie.

Our new members are ① Kenneth S. Reid,  
Dept of Spanish,  
Kip's College  
Newcastle.

② A. B. Hibbet,  
Kip's College,  
Cambridge.

④ Rev. N. J. Eva

③ J. A. C. Champion,  
14, Onslow Court,  
Worthing, Sussex.

⑤ a Mr. Philips.

As you see, I don't know the addresses  
of the last two.

The one awkward thing I've discovered  
is that Manyé didn't get an invitation,  
and when I saw him it was too late for him  
to disengage himself from the BSC.

I hope you had a good holiday  
with your fiancée. When shall I come  
up to Nottingham? What about Saturday  
(or down)  
week — 15<sup>th</sup> Oct.? Would that suit you?  
I could bring down all the stuff ~~to~~ you  
sent me + pay you what I owe you:  
15/4<sup>1</sup>/<sub>2</sub> unless you have already used the 2/7  
left over from a pond I sent you earlier.  
Excuse rapid scrawl. Must awa!  
Y'ever, Geoff.
