Dear Dr. Yates,

I have just been recently approached by the University of Barcelona concerning the visit of Prof. Lali Fuentes who will be in England for 15 days from August 1st. She would be very interested in meeting someone from the Anglo-Catalan Society and I am taking the liberty to write to you to see whether there would be anyone in your department available at that time who might be able to assist her.

I know that it is a particularly bad time for most people, but if you were able to put her in contact with someone, please let me know, or write to her direct at the following address:

Prof. Lali Fuentes,
General Mola, 30 - RUBI
Barcelona

Thanking you in advance for your assistance in this matter.

Yours sincerely,
