Dr. A. Tate,  
Dept. of Hispanic Studies  
Sheffield.

Dear Alan, I'm very sorry I couldn't be able to attend the Anglo-Catalan meeting this year. As you may have noticed I missed both the Aberdeen meeting of Hispanists and (most nice host) the Andorra meeting of the ABLLC, through ill health. I'm now feeling much better, but still not

up to facing the rush of a journey to  
London and back in the middle of term.

So I send my apologies and  
my best wishes for the meeting, the  
first I have missed since I joined the  
society. I look forward to hearing  
about the next one in due course.

Melts records a lots,

Melie.
