Dear Paul,

Batista suggested to me when I was in London that we should hold some sort of weekend conference of the A.C.S. during this year, taking advantage of the presence of either Soldavila or Riba, or both. I think he probably wrote to you about it. The Easter vac. would seem to be the best time, but it mustn't clash with the Association of British Hispanists meeting at St. Andrews. This takes place, I discover, from March 18 to 20, + that leaves four weekends, at any rate from our vac. here: March 26-7, April 2-3, April 16-7, April 23-24, excluding Easter of course. I've just written to Batista about this, asking him to find out when would suit Soldavila or Riba. The

Place suggested is Oxford.

My interest in this is to get some-
thing fixed so that I can ask for
subscriptions & offer something in return.
So far I have 20 subs. from the
following :

Prof. Rice

Mrs. Grant

R. Pringmill

J.M. Batista

Joan Gili

T. Manyé

P. R.-G.

J. Elliot

L. T. Topofield

Mrs. Sire (21, Church Rd. Osterley,
Isleworth, Midx)

Prof E. M. Wilson

Mr & Mrs. A. Solé Ieris (2 subs.)
(29, Boundary Road,
N.W.8.)

Let me know about
developments. By the way, I'd quite like
to slip over to Nottingham some time this
term. I'll let you know.

Thanks for your Xmas card.

Yours
Jeffrey
