Dear Ron

Thanks for your letter. Of course, I shall be very pleased, and very honoured, to "let my name go forward" at the next AGM for nomination as secretary. I wonder, if the election does go through, whether I shall be involved in any procedural niceties this year. Perhaps you could let me know whether anything might be expected of me. I expect we shall have opportunity at the conference to discuss secretarial duties and arrangements for the handing over etc., but I should hate to be caught short at the AGM itself.

Thanks again for letting me know the situation. Looking forward to seeing you, and the others, at Westfield.

All the best,

Yours ever,
