Dear Dr. Wheeler,

Thank you for the information about the annual Conference of the Anglo-Catalan Society. I very much regret that I am unable to come this year.

Please convey any necessary apologies.

I wonder if you can help me in a small matter - about which there is no hurry whatever: I should like to increase my familiarity with Catalan by possessing a record on cassette, preferably, but not necessarily, of verse. Do you know if such a thing is obtainable?

With kind regards,

Yours sincerely,

John Cornall
