My dear Ribbans,

Many thanks for your letter. As you will see from the enclosed the Queen's Ethics Committee have agreed to let us have the Hotel for the accommodation of members, I also enclose a copy of the regulations including changes. <sup>X</sup> Please let me have it back at your convenience. <sup>X</sup> Should I write to Coemosa? Or would you be good enough to send him the necessary information?

The household at 90 Malvern Avenue is just recovering from the flu. It has been going round and the latest to be laid up is Kenneth. But she is now getting up and slowly going back to normal routine. I have so far escaped it.

Lucille and her children will be going back to Canada in three weeks time. We may then go to Pangloss and spend Christmas with Clotilde and her children.

With kindest regards to you all from us both,  
Yours sincerely,
