Alan

Here are all the papers which I'm sending out - copy has gone to Geoffrey for his comments. I can only send the papers out on Tuesday I'm afraid (we're short staffed at work and I've got to attend a weekend conference in Berkshire on short notice to fill in for one of my staff who has suddenly acquired a permanent ulcer). I'll be back late Monday - which means that there is still time to amend the constitution if there are any problems in it still. Ring me on 0543-268148 if you've got anything to raise. Shall I send these papers first class - after all there's been no photocopying cost?

Yours

Jim.

PS - There's no membership form attached with your papers - you don't need me! But I've sent you an Assoc form to show willingness.
