My Dear Russell. Gebbitt,

Your letter of the 11th. only came to-day, and I expect Batista will be back by this time and will deal with the points you raise. I am away until Tuesday, 24th.

The Hall of Christ's has been booked ~~from~~ on Sunday, May 6, until 5.30, when the staff will want to begin laying Sinner, for "first ball". I was told nothing about broadcasting, and have no special leave for it, tho' I see it mentioned in the programme.

My own room, and the J.C.R. next
to it, will be available for the
Queen of Beauty and her ladies
to powder their noses; and if
it is wet, there is a covered way
into Hall. My room will be
available, too, in the morning,
if it is wanted, and if it is large
enough; but I undertook that
Hall should be clear by 5.30.

J.C.R.
