Miss N. Aramon,
44 Nottingham Place,
London, W.1.

Dear Miss Aramon,

Thank you very much for your letter. I am glad that you have settled down and are enjoying yourself in England, and I hope that your studies will be of advantage to you.

May I point out that the Society requires a report from each candidate of this scholarship on the nature of the course followed and its suitability. This will be presented to the Annual General Meeting in September.

It will be perfectly in order for you to write it in Catalan.

With best wishes for the future.
