Dear Arthur,

I've written to Srta. Pons Prats, asking her to let me know how I can hand her £50 before I go on holiday on July 15th or thereabouts. Hope it all sorts itself out in time!

Your query about subs. - They are still 15/- . I suppose one could ask for £1 instead, but we give customers so little for their money I would be a little hesitant about it. Much depends on how much one regards the Society as a benevolent institution.

Hope you're all well over there, and not drooping under weight of work. It's been a year and a half here, but all good clean fun.

Salutz i amor,

Paul.
