Dear Mr. Yates,

I am a post-graduate student, registered at U.E.A, and have recently returned from Catalonia after spending a year engaged in fieldwork, my particular interest being family structure in 16th century Besalu.

Dr. David Barrass, of this university, has been telling me of the activities of the Anglo-Catalan society, and, if possible, I would very much like to become a member, and would appreciate it if you could supply me with details of the subscription and application for membership.

Thanking you in advance

yours sincerely

SA Dunster.
