Dear Joe,

In the rush to catch the train on Saturday last I completely forgot to pay my subscription for the lunch. I hope this has not caused too great a confusion.

I am therefore enclosing a cheque for 15/-. The meeting was very enjoyable & I was sorry I had to leave. I hope you have a pleasant time as secretary.

Yours

Brian Tate.

Dear Joe,

Re. support for Pau Casals' nomination for Nobel Prize. Do you know what is procedure for eligible supporters? Do they send away for special forms or what? Could you give me any gen. on this?

All well here except for the usual scamper. Students seem to be deceived by my Portuguese.
