Dear Dr Yates,

Thank you for your letter of 27 June. I am sorry to be rather late with the reply. I would like the title of the talk to be 'Catalan Politics, 1900-1978'. Briefly, I would be interested in tracing the rise of Catalan regional feelings and nationalism and relating it to Spanish politics in this century. My major interest will be to compare what is happening in Catalanonia with similar situations in other parts of the world. In short, this is to be a comparative study. I shall, in fact, be coming back directly from Spain so I shall be away from Glasgow from 3 September until 22 September.

Best wishes,

Yours sincerely,

Jack Brand
