Sir,

A Committee Meeting of the Anglo-Catalan Society held on January 21st noted with great pleasure your willingness, as communicated to Dr. Walker, to accept Honorary Membership of our Society. We are honoured that you should wish to be associated with us. Our Secretary Dr. George will, with your permission, add your name to the Society's list and will send you information in due course about forthcoming activities. Our next conference is planned for London, November 18th-19th, when we hope very much to be able to welcome you. I shall send you by separate post copies of the titles in our Occasional Publication collection.

I take this opportunity to renew our sincere thanks for your most considerate and generous help in arrangements for the visit last December of President Pujol. It was an occasion when The Anglo-Catalan Society's existence and rôle were visible in a most positive light and gave us great encouragement to continue in our efforts. We are delighted that the success of the visit is to be marked historically by your Honorary Membership.

I have the honour to remain, Sir

Your obedient servant

Alan Yates  
President
