P.S. I have noticed that you
are not the Treasurer and am
sending the P.O. to M^r Ribbens.

Dear Mr. Russell-Gebbett,

It was very good
of you to send us the abstract of the minutes
of the A.C.S. in spite of our not having agreed
to join it.

Although my wife and I will not be able
to attend meetings etc. I have decided to
make her a member so that we may con-
tinue to be informed of the Society's activi-
ties and I enclose P.O. for 10/-

I am myself interested in the Catalan
language, though I never have time to do
anything about it except when I go to Cat-
alonia and observe its fate there.

Yours sincerely

Antine
