Dear Arthur,

I am afraid I shall not after
all be able to come to the Catalan
lunch as I am in bed with 'flu.

I am most disappointed. Please
give my best wishes to all Catalanists
and say how sorry I am not to
be able to go to the lunch.

If I am able to go out of funds
I'll try to look in on Sunday morning
but it all depends on the business

of the 'flu (a rather the patient!). In any case
neals out are now a jumble of us

Then see penman complained that
hears I can't eat anythg with flour
in it. Tried to loose but for just
spent a week in hospital now they

thought of this explanation for
sudden and startling loss of weight.

I wish you're relieved as I think it is quite
kindness knows det - - -

all the best,

Yours ever

Helen Rant

P.S. Let me know what happens with this is a
last minute cancellation.
