Dear Mr. Cremona,

It was very kind of you to write saying that you and the members of the Anglo-Catalan Society had found my despatches to THE TIMES of interest and I am sending a copy of your letter to the Editor so that he ^{may} know that you appreciate the publication of news from this part of the world.

Unfortunately, owing to pressure of other work, I am giving up the representation of The Times on the 15th of this month but another correspondent will take over. If I can myself give you any help, I shall be pleased to do so.

Yours sincerely,

C. H. Webb.
