Dear Brian,

Rosa Levenski has asked me
to make arrangements for her
to go to the Anglo-Catalan. So
kind you be so very kind as to
send me a copy of the circular
& tell her for etc and send
the for her, and send her on the
of circular. She may also care to
the Hispanists.

Sony I spell you have many.
I write by late at night after 'walking'
all day, and was exhausted. Had a
friend who spell it Tait and so drops

Get muddled. Still, very unscientific!

You can make a Room
as a certainty for residence in
Pembroke for the full time with
separate rooms & if it is easier
double us up!

Yours

Heleen

I'll pay attention if you'll
send me the necessary facts
forms.
