

Dear Alan,

Thanks for your note + the cutting on Teach Yourself  
Calculus. What a strange piece for The Times to produce "just  
like that." I'm not sure that I understand what it's about. Anyway  
it's a welcome plug - and especially for T.Y.C.!! The enclosed  
turned up today. Have you got this to send off to Mr Everett?  
Nationwide have replied - all seems O.K. - just waiting for the share a/c  
passbook now and we're all set up. Hope your move is progressing well  
Yours ever  
S.
