Dear David,

Just a note to ask you to give my apologies
both to the Committee Meeting and the AGM - I shall
be in Barcelona! I set off in $\frac{1}{2}$ an hour to attend
a Conference organised by the Standing Conference of
Local and Regional Authorities in Europe (of the Council of
Europe) on the theme of Crime, Violence and Community
Security. It is rather ironic that ~~the~~ Jordi Porta
should be visiting here as our speaker when I am going
there! I shall take advantage of next week to go and
chat him up - he is a very good contact and his
foundation may well help us in future.

I have spoken to Geoffrey about the appeal. We are
going to have to get approval for charitable status for
ACS and can then go to town on amending the
constitution and organising the appeal. Geoffrey will
speak to all this and I will contact him on my return
and we will get down to work.

! Bon profit at dinner around!
! Salut : force at canal!
Jim.
