Dear Keightley

Just a line to renew this year my offer to read a paper at the forthcoming Conference of Catalan Studies on "Jaubert de Passa and his Recherches Historiques sur la Langue Catalane (1831)".

There are now a number of young Catalans in this country who have expressed their wish to attend the Conference, and become members of the A-C S. I shall send you a list of their names and addresses.

With kind regards,

Yours sincerely
