Dear Mr. Hutchinson,

Thank you for your last letter. I hope you have not been kept waiting too long. We ~~have been able to~~ are able to afford your financial help to the extent of 15,000 to 2,000 pesetas for your stay there.

On arrival, perhaps you will be so good as to call on Dr. Aramón i Serra, Paris, 150, 3^o Barcelona, who should have received instructions by then.

You will understand, of course, that we should prefer these arrangements to remain private, and ~~otherwise~~ if it is possible, we would like to receive an interim report on how your work is progressing by mid-September.

Meanwhile, may I wish you the best of luck

i una forta encariada d'un altre amic de Catalunya.

P.S. Give my regards to Aramón + if you have time, go and see Jordi Rubió at Mallorca, 212 or his son, of the same name at Editorial Teide, Pegás 30-32.
