The XXIV Annual Conference of the Anglo-Catalan Society will be held in University House, Birmingham University, from the evening of Friday, September 22nd to mid-day on Sunday, September 24th.

Travel directions, details of administrative arrangements and programme are enclosed with this circular. Minutes of the XXIII AGM and the Agenda for the XXIV AGM were distributed to all Members in July.

The following accommodation has been reserved for you in University House:

Please notify me immediately if this reservation has to be amended.

A Conference Office will be installed just inside the main entrance of University House, beyond the Porters' Lodge, and Members are asked to report there on arrival.

Members will be sad to hear that the death of the Society's President d'Honor, Dr. J.M. Batista i Roca, occurred on August 27th. A floral tribute in the Society's name was sent to the funeral in Barcelona. Arrangements for a fitting memorial to Dr. Batista will be discussed at this year's AGM.

Yours sincerely,

Alan Yates  
Hon. Secretary
